Hey, glad to see you working on a theme, it's looking dope! To do the renders, you just need to get the normal ones (the green-haired guy, the white-haired woman and the others) and open them on an editing program to

see their size. Then you just have to get the renders you want to put in your theme and resize them in order for them to be in the right size.

Pictures Update: Some characters pics have been changed on my theme. They're mostly Shippuden characters, 'cause I only changed the ones I thought that needed updates, due to low-quality pictures or so.

A member of the main family of the Hyuga clan. Her soft and kind personality hides a strong will and determination, specially towards the person she cares the most.

Karin was a guard in charge of one of Orochimaru's prison labs. Sasuke invited her to join his team because of her tracking abilities, but she'd rather ditch the others and have Sasuke all to herself.

There's a Roblox game out there for everyone, whether it's running away from Piggy, or looking after cute pets in Adopt Me! But recently one game in particular has risen to massive popularity: Shindo Life. Originally called Shinobi Life 2, the game is a re-imagining of the original Shinobi Life, a *Naruto*-style ninja game where you explore an open world, and fight against opponents in the **arena**, using your martial prowess and abilities. But you can also use spins to get freebies, which can make your character stronger.

The game is a 3D arena fighter with the player being able to play using the **characters from the Naruto** series. The fight only happens between two players, but they can have up to two supports, each of them deals with damage. There is also limited use of items that students can use along with a D-pad for several effects. Each of the characters comes with their own Jutsu that lets them play differently. There is more to the game, and you would discover the most of it when you start playing the game.

She's a kunoichi from The Hidden Leaf Village and Sakura Haruno's biggest rival in any matter of subjects. She is also a member of Team Asuma and is part of the Ino-Shika-Chou Trio. She is also a Medical-Ninja and the Daughter of Inoichi Yamanaka.

U guys are all ***s

His biggest talent is eating and protecting his friends. His best friend is Shikamaru Nara. He, like Shikamaru, is a member of Team 10. He seems to lack confidence in himself.

Naruto Shippuden: Ultimate Ninja Storm 4 is one of those game where the title tells you everything. You can expect characters from the popular anime *Naruto Shippuden*, everything is pretty Ultimate, theres no shortage of Ninjas and its all a massive Storm of action! Being the fourth in its series, players may already be familiar with the setup of this game, but note that this version actually removes some features seen in previous games and brings back features from older titles in the series. One great example is wall running, taken from the original, which allows players to switch from fighting in the arena to fighting along the walls. This sudden shift is

typical of the chaotic, high energy style of combat in this game. Expect everything to be fast and furious! Meanwhile, the games story follows on from the third game and the events of the ninja war a storyline that non-Naruto-fans will struggle to understand.
